

AvePoint and KUTTIG Forge Partnership to Deliver a Comprehensive SharePoint Technology & Services Solution

Agreement accelerates the delivery of AvePoint's DocAve Software Platform and KUTTIG's premier SharePoint consulting services in Western Europe

Munich, Germany — September 29, 2010 — AvePoint, the leading provider of infrastructure management software solutions for Microsoft SharePoint, today announced a partnership agreement with KUTTIG, a premiere IT services consulting firm in Germany. As a result of the partnership, KUTTIG will serve as a value-added reseller of AvePoint solutions, and both companies will collaborate and integrate their complementary product offerings and services for customers throughout Western Europe.

"We are very excited to partner with KUTTIG", said Ron Miles, AvePoint's Director of Sales for EMEA. "KUTTIG is a top-flight IT services consultancy with proven expertise in Microsoft SharePoint Products and Technologies, and we are thrilled for the opportunity to partner with this market leader. Organizations throughout Western Europe are adopting SharePoint to connect their people, processes, and information, and AvePoint offers the critical tools needed to manage, protect, optimize, and integrate the platform in a cost-effective way. Through this partnership, AvePoint and KUTTIG can jointly engage the SharePoint community with a comprehensive technology and professional services offering."

AvePoint's flagship product, the award-winning DocAve Software Platform, is a comprehensive infrastructure management and protection solution for Microsoft SharePoint Products and Technologies. With a unified, browser-based user interface and a fully distributed architecture, DocAve offers 25 independently deployable modules for SharePoint data protection, administration, replication, migration, archiving, deployment management, reporting, storage optimization, and content lifecycle management.

KUTTIG, one of the largest IT system houses in North Rhine-Westphalia region in Germany, aids enterprises throughout Western Europe in planning, implementing, and overseeing the deployment of IT solutions meant to help achieve their mission-critical business initiatives.

"The partnership with AvePoint is an important step to achieve KUTTIG's goal to offer comprehensive services around Microsoft SharePoint solutions", said Michael Wessels, Chief Executive Officer of KUTTIG. "So, KUTTIG is proud to be one of AvePoint's selected partners in Germany."
