

AvePoint is Named to Deloitte's 2010 Technology Fast 500™ List for the Second Consecutive Year

With 1,582 percent revenue growth over the last five years, AvePoint is ranked the 79th fastest growing company in North America, and 5th in the Tri-State area

Jersey City, NJ – October 20, 2010 – AvePoint, the world's largest provider of infrastructure management software solutions for Microsoft SharePoint Products and Technologies, today announced that it is ranked 79th on Technology Fast 500™, Deloitte's ranking of 500 of the fastest growing technology, media, telecommunications, life sciences, and clean technology companies in North America. Rankings are based on percentage of fiscal year revenue growth from 2005 to 2009, during which AvePoint revenues grew 1,582 percent. AvePoint previously ranked the 96th fastest growing company in North America, and 14th in the Tri-State area as a Technology Fast 500™ award winner for 2009.

Dr. Tianyi (TJ) Jiang, AvePoint's Co-Chief Executive Officer, credits AvePoint's sustained growth to two of the company's core commitments: Consistent delivery of new, innovative solutions that meet crucial needs of SharePoint users worldwide, and best-in-class customer service.

"It is a great honor to be named to Deloitte's Technology Fast 500™ List for the second year in a row", said Dr. Jiang. "Ever since we first opened our doors, we have tirelessly worked to create a company dedicated to product innovation and quality customer service. In order to fulfill these commitments, we recruit the best, brightest, most creative minds worldwide who become integral stakeholders in our shared success. All of our accomplishments to date – including the honor and privilege to be named to the esteemed Deloitte Technology Fast 500™ list – serve as a testament to the virtues of building a company based upon product innovation and customer service."

"AvePoint and the other 2010 Technology Fast 500™ winners forged ahead in a challenging economic environment to realize exceptional growth", said Phil Asmundson, Vice Chairman and Deloitte's U.S. Technology, Media and Telecommunications Leader. "Deloitte commends AvePoint for this impressive accomplishment."

AvePoint has been the premier SharePoint infrastructure management solution provider since the platform debuted in 2001, constantly delivering pioneering tools that empower organizations worldwide to protect, manage, optimize, integrate, and govern their SharePoint deployments. Driven by the world's largest SharePoint-exclusive research & development team, AvePoint's award-winning DocAve Software Platform empowers large enterprises, small-and-midsize businesses, and government agencies to most effectively utilize SharePoint Products and Technologies for enhanced business productivity and collaboration, as well as enterprise content management and web content management initiatives.

"AvePoint has proved itself to be one of the fastest growing tech companies in North America, and we are proud to honor them as one of the 2010 Technology Fast 500™", said Mark Jensen, Managing Partner, Venture Capital Services, Deloitte & Touche LLP.
