

## AvePoint a Sponsor of the Canadian Microsoft Tech•Days Tour 2010

***Microsoft Tech•Days gathers international experts, trainers, and IT professionals to share information and insights about the deployment and management of Microsoft Products and Technologies***

Jersey City, NJ — August 25, 2010 — AvePoint, the leading provider of infrastructure management software solutions for Microsoft SharePoint, today announced it is a sponsor of the Microsoft Canada Tech•Days 2010 Conference, taking place in eight cities throughout Canada – beginning in Vancouver on September 14. AvePoint’s sponsorship of the tour underscores its ongoing commitment to supporting the exchange of knowledge and building of community among those that use and work with SharePoint. The event will provide attendees with the opportunity to network with Microsoft staff, industry experts and MVPs, and their peers, and offers [numerous sessions along six tracks](#) focused on various aspects of Microsoft technology deployment, management, and development. Additionally, as part of the official conference curriculum, AvePoint will be presenting a session titled ‘Best Practices for Successfully Deploying and Optimizing SharePoint 2010’.

“We are excited to be a part of the upcoming Microsoft Tech•Days 2010 Tour throughout Canada”, said David Waugh, AvePoint’s Vice President of Corporate Development. “As more Canadian organizations adopt Microsoft SharePoint Products and Technologies, it is vital they have the tools and knowledge they need to take advantage of everything the platform has to offer. The Microsoft Canada Tech•Days 2010 Tour is the ideal venue for this, so we are honoured to serve as both sponsor and speaker.”

The Microsoft Canada Tech•Days 2010 Tour is making two-day visits to eight cities this autumn.
