

AvePoint Announces Silver Sponsorship of Gartner Symposium/ITxpo 2011 in Australia

Company will share proven SharePoint strategies and award-winning solutions with CIOs, CTOs, and senior IT executives from across the country.

Melbourne, Australia — November 9, 2011 — [AvePoint](#), a proven leader in governance solutions for Microsoft SharePoint, today announced it is a Silver Sponsor of the Gartner Symposium/ITxpo 2011, to be held from November 14-17 at the Gold Coast Convention and Exhibition Centre in Australia. The sponsorship underscores AvePoint's ongoing commitment to the SharePoint community in Australia, where it helps many private and public organisations achieve business success with their SharePoint deployments. The largest annual gathering of CIOs, CTOs, and senior IT executives in Australia, the event will enable AvePoint to share proven practices accumulated from a decade of complete devotion to SharePoint technologies since the platform's inception in 2001.

"The Gartner Symposium/ITxpo 2011 provides a great opportunity to connect with many of Australia's IT leaders and impart SharePoint expertise gained from AvePoint's experience working with more than 8,000 customers worldwide," said Garth Luke, General Manager of AvePoint Australia and Vice President of Sales. "As Australian organisations continue to implement SharePoint to enhance collaboration and productivity across their enterprises, AvePoint remains fully committed to enabling its customers to experience maximum business value from the platform."

Throughout the event, AvePoint will have a dedicated presence at Booth 47 where attendees can chat with SharePoint experts and learn about the latest version of the company's award-winning DocAve Software Platform, [DocAve 6](#), the enterprise-class management platform for SharePoint governance. Luke will also be available for one-on-one meetings with attendees to discuss their SharePoint strategies and business plans for the future. Based on his experience travelling across the globe and helping enterprises achieve SharePoint success, Luke will share insights, best practices, and lessons learned from the field.
