

AvePoint Announces Partner Sponsorship for Microsoft at GITEX Technology Week 2011

One of the world's largest information and communications technology (ICT) events, GITEX delivers a leading platform for industry innovation, connecting IT vendors with more than 136,000 ICT professionals.

London, UK — October 9, 2011 — AvePoint, a proven leader in governance solutions for Microsoft SharePoint, today announced that it is a partner sponsor for Microsoft at GITEX Technology Week 2011, taking place from 9-13 October at the Dubai International Convention & Exhibition Centre in Dubai, United Arab Emirates. AvePoint's presence highlights the company's continued commitment to the global SharePoint community, and provides an opportunity to showcase the latest version of the company's award-winning DocAve Software Platform, [DocAve 6](#), as well as share proven practices for SharePoint success from its decade of devotion to SharePoint since the platform's inception in 2001.

"As platform adoption continues to grow throughout the Middle East, Africa, Asia, and beyond, AvePoint remains steadfastly committed to helping organisations worldwide maximise the business value of their SharePoint deployments," said Dr. Tianyi (TJ) Jiang, Co-Chief Executive Officer of AvePoint. "Entirely dedicated to SharePoint and closely partnered with Microsoft from the platform's start, AvePoint has the resources, experience, and technology to help customers implement and execute a governance plan that will increase business productivity, reduce total cost of ownership, provide IT assurance, and enable security and compliance for business content."

Throughout the entire event, AvePoint will be present at Microsoft's booth near the entrance of the Business Solutions Hall (Hall 7) and offer demonstrations of DocAve 6, the enterprise-class management platform for SharePoint governance. Attendees can chat with AvePoint's SharePoint experts and learn more about the most effective ways to simplify the deployment, monitoring, and enforcement of SharePoint governance policies.
