

## AvePoint Continues Global Expansion with New Office to Serve French Market

**The new office highlights SharePoint's accelerating adoption throughout the EMEA region as well as AvePoint's commitment to provide knowledge, resources, and software solutions to the burgeoning SharePoint community in France**

*Paris, France — September 1, 2011* — AvePoint, a proven leader in enterprise-class governance solutions for Microsoft SharePoint, today announced the opening of a new sales and support office in France. This announcement underscores AvePoint's continued global expansion and commitment to delivering its award-winning products and services to the growing SharePoint community throughout the country. Building a sales and marketing presence in France since November 2010, the new office marks AvePoint's first physical business location in the country and reflects the rapid adoption of SharePoint in France. The France office is the latest in AvePoint's strategy to provide localized support and resources to cultivate the global SharePoint market, joining the company's 19 international offices across four continents in the United Kingdom, Germany, Australia, Japan, Singapore, Canada, the United States, and China.

"As more organizations in France are adopting SharePoint to effectively collaborate and increase productivity throughout their enterprises, it is essential we have a dedicated location to best serve our customers and partners to help them achieve their business goals utilizing SharePoint," said Antoine Driard, AvePoint Country Manager for France. "With our new office, we look forward to working even closer with our existing customers throughout the country, as well as aligning with new ones and empowering even more companies to fully protect and manage their SharePoint deployments."

### **Expanded Office to Serve as Sales and Support Resource for French Speaking Customers and Partners**

AvePoint's new office houses professional inside sales, enterprise sales, and technical support staff exclusively tasked with serving France's flourishing SharePoint community. Also delivering on the company's commitment to nurturing mutually beneficial professional relationships with complimentary vendors and professionals, the France office will serve as the AvePoint's country-specific Partner & Certified Re-seller Resource Center, where affiliates can receive training, collaborate in joint marketing initiatives, and assist in the development of future products and offerings. AvePoint's France office is located at 13 rue Camille Desmoulins, 92441 Issy-les-Moulineaux.
