

SharePoint MVP Randy Williams Joins AvePoint as Enterprise Trainer and Evangelist

Williams, a prominent Microsoft technologies expert with more than 20 years of IT experience, will utilize his deep expertise by providing thought leadership to AvePoint's customer base as well as the global SharePoint community

Jersey City, NJ — May 23, 2011 — AvePoint, a proven leader in providing infrastructure management software solutions for Microsoft SharePoint, today announced the addition of SharePoint MVP Randy Williams as AvePoint's Enterprise Trainer and Evangelist. In his new role, Williams will work directly with enterprise customers to deliver and implement solutions that will help unleash SharePoint's full business potential, as well as share proven practices with the SharePoint community through speaking engagements and appearances at global conferences.

"We are very pleased to bring Randy Williams onboard at AvePoint," said Dr. Tianyi (TJ) Jiang, Co-Chief Executive Officer of AvePoint. "Williams' expertise in architecting and developing Microsoft-based solutions, two decades of broad-ranging IT experience, and strong rapport within the global SharePoint community will greatly benefit our enterprise customers as AvePoint continues to enable businesses worldwide to get the most from their SharePoint deployments and maximize productivity in the workplace."

"As a SharePoint MVP, I have always admired AvePoint's unwavering dedication to the platform since its inception," said Williams. "I have also been consistently impressed by the DocAve Software Platform's intelligent solutions for [SharePoint migration](#), management, and protection. I look forward to helping AvePoint's global base of more than 8,000 customers achieve their business objectives by building on top of their SharePoint infrastructure, as well as continuing to educate the SharePoint community with best practices and lessons learned from the field."

In addition to his IT experience, Williams is a regular contributor to both *SharePointPro* and *Windows IT Pro* magazines. His latest book, *SharePoint 2010 Administration Instant Reference*, will be released this June by Sybex. Based in San Diego, Calif., Williams has spoken at many technology conferences worldwide.
