

AvePoint and Wortell Partner to Deliver Complete SharePoint Solutions

New agreement expands the delivery of AvePoint's SharePoint infrastructure management solutions and Wortell's services throughout EMEA

London, UK — June 1, 2011 — AvePoint, a proven leader in providing [infrastructure management software](#) solutions for Microsoft SharePoint, today announced a partnership agreement with Wortell, a leading consultant and services provider for Microsoft technologies based in the Netherlands. Wortell will serve as a value-added reseller of AvePoint technologies, and both companies will work together to integrate AvePoint's products and Wortell's services for customers throughout Europe.

"Wortell is regarded for its steadfast dedication to SharePoint Products and Technologies, and we are pleased to partner with this industry leader," said Nathan Trenzinger, AvePoint Vice President of North America & EMEA Alliances. "With the powerful combination of AvePoint's renowned software solutions and Wortell's committed service, organisations throughout Europe will be able to reach new heights in productivity and business collaboration with SharePoint."

AvePoint's award-winning DocAve Software Platform is a comprehensive, fully integrated infrastructure management and protection solution for organisations seeking to unleash SharePoint's full business potential. With a unified, browser-based user interface and a fully distributed architecture, DocAve offers more than 30 independently deployable modules for SharePoint data protection, administration, replication, migration, archiving, deployment management, reporting, storage optimisation, and content lifecycle management.

Established in 1997, Wortell utilizes Microsoft technologies to build solutions and new concepts based on demands in the fields of education, healthcare, government, construction, and commerce. Wortell is one of the Netherlands' leading Microsoft SharePoint 2010 partners and has an extensive track record of successful SharePoint implementations.

"At Wortell, we are inspired by innovation through Microsoft technologies," said Luc Joziassse, Commercial Director. "The intelligent, scalable solutions offered by DocAve Software Platform and the strength of AvePoint's reputation across the entire global SharePoint community will enhance our ability to carry out Wortell's mission, which is to help our clients improve their business results and maintain competitive differentiation by leveraging standardized technology from Microsoft."
