AvePoint and ICS Solutions Forge Partnership to Deliver Innovative SharePoint Solutions and Support

New partnership to leverage companies' best-of-breed solutions and expertise to maximise benefit to customers and greater UK SharePoint Community

London UK, Nov 5, 2008 – AvePoint, the leading provider of [Infrastructure Management Software solutions](#) for Microsoft SharePoint, and ICS Solutions, a pioneering Microsoft technology integrator and support provider, today announced a partnership for the purpose of delivering full-spectrum technology solutions to SharePoint customers in the United Kingdom. Combining ICS Solutions' expertise in the areas of technology integration and business-process optimisation, and AvePoint's leadership in software solutions for [SharePoint administration](#), data protection, [compliance](#), [replication](#), and [migration](#), this complimentary alliance will provide ICS Solutions and AvePoint customers with unparalleled service and support as they architect and deploy SharePoint.

"We are very excited to partner with ICS Solutions", said Dr. Tianyi (TJ) Jiang, COO of AvePoint. "Our goal is to provide our customers with the products and services they need to maximise ROI on their SharePoint investment. By teaming up with ICS Solutions - one of the most highly regarded and successful providers of business optimisation in the UK - customers will have access to not only best-of-breed products like DocAve, but best-in-class consulting services as well."

As a result of this strategic partnership, AvePoint and ICS Solutions will collaborate regularly to ensure clients are appraised of – and can experience firsthand – AvePoint's technological strength in the areas of [SharePoint backup & recovery](#), [administration](#), [geo-replication](#), [deployment management](#), [high availability](#), [extension archiving](#), [compliance](#), and [migration](#). Leveraging AvePoint's powerful DocAve Software Platform; the award winning 'Best of SharePoint Products, by TechEd 2008', the consultants and integrators of ICS Solutions will be able to help their clients design and deploy secure, compliant, highly reliable, and fully optimised SharePoint environments.

Andrew Smith, Solutions Business Director at ICS Solutions said: "We are committed to providing our customers with exemplary technical service and support around different Microsoft technologies. Through our SharePoint Advantage Programme, our partnership with AvePoint cements our continued dedication to offering our clients high quality administration solutions for Microsoft SharePoint, using DocAve; complete end-to-end infrastructure management solution that meets their specific business needs".
